

Aluminum Tank Industries, Inc.

ALUMINUM REFUELING TANKS

Need Gas?
No Problem!!!

Aluminum Tank Industries, Inc. has been issued a Special Permit from the U.S. Department Of Transportation for our Refueling Tanks. Our tanks can be used for gasoline, diesel, kerosene, aviation fuel, and methanol. Refueling tanks can be used in state, commercial, and private use applications.

- Special Permit issued by the US Department of Transportation
- Legal for **gas**, diesel, methanol, kerosene, aviation fuel and other liquids
- Commercial grade lockable vent/prevent filler cap
- Fully baffled to reduce movement of contents
- Two-2" npt reinforced bungs for superior strength
- 3/8" npt drain
- Hold down brackets
- Pressure and leak detection test
- Clean and free of debris inside and outside of the tank
- 1 year limited warranty

Aluminum Tank Industries, Inc.

REFUELING TANK OPTIONS AND ACCESSORIES

Part #	Pumps
BS-M150S-MU	GPI – 12v 15 gpm fuel transfer pump – Manual Nozzle
BS-M150S-AU	GPI – 12v 15 gpm fuel transfer pump – Automatic Nozzle
BS-EZ8	GPI – 12v 8 gpm fuel transfer pump – Manual Nozzle
BS-HP100-UL	GPI – Deluxe <i>Dual Flo</i> hand pump 50 Gal Per 100 Strokes

Part #	Pump Accessories
BS-M30-G8N	GPI - Mechanical fuel meter w/ strainer – 4 digit display
BS-FK	GPI - Filter kit - cast iron adapter-10 micron filter- nipple
BS-RF	GPI- Replacement filter 10 micron particulate (filter only)
BS-AN	Automatic shut off nozzle (nozzle only)

Part #	Tank Accessories
TTCAP	Vented lockable refueling tank cap w/ base
BS-RTCAP	Vented lockable replacement tank cap – NO base
BS-FLG	Rochester mechanical fluid level gauge
BS-LRTC	Spin Secure heavy duty keyed locking cap

	Tank Add-ons
Add "B" to end of part #	Powder Coat
	Additional npt fittings
	Notch out for pump

Severe Fuel Cap

.190" HD Aluminum

Aluminum Tank Industries **SEVERE SERIES** refueling tanks were designed for severe conditions. The tank offers these features:

- ❖ Lockable SpinSecure vent/prevent cap.
- ❖ Fully welded tank baffles.
- ❖ Unique internal pump bung supports.
- ❖ 50% thicker, heavier .190" HD aluminum construction.
- ❖ Vent with rollover protection for SAFETY and functionality.
- ❖ Two 2" bungs for mounting the pump on either side.
- ❖ Special Permit for use in commerce.
- ❖ Designed for gasoline, diesel, kerosene, Av fuel, and methanol.
- ❖ DOT permit allows transportation while the pump is attached.
- ❖ *5 year warranty.
